I understand that there are certain risks associated with group activities/play or with allowing 2 or more animals in the same enclosure. Animals who play together or are housed together may experience muscle soreness, nips, scratches, bites or fighting. I understand the risks involved and agree to be responsible for any and all vet charges that may occur during my pet(s) boarding stay or as a result of my pet(s) boarding stay. I have made Raintree Pet Resort aware of any special needs that my pet(s) may have. I am also aware that while very effective, vaccines (in particular, but not limited to the Bordetella vaccine) do not protect against all strains of viruses. For this reason, I will not hold Raintree Pet Resort responsible for any occurrences of socially transmitted or airborne illnesses. I understand that payment is due in full at the time of check out. I agree that if my account should go into collections, I will be responsible for all costs.
