BIOSPOT

In an effort to keep our facility pest free, we treat all dogs with BIOSPOT. This is a spot-applied topical product which kills and repels fleas, ticks, and mosquitoes for up to 45 days. Should you board your dog several times, please note that BIOSPOT will need to be applied only once every 45 days. The application is \$7.99 for dogs under 35 lbs. Or \$9.99 for dogs over 35 lbs. Exclusions to this policy will be puppies less than 4 months of age, sick, geriatric, medicated, pregnant or nursing dogs, or dogs with a written veterinarian excuse. If you are currently using a similar product, we will just need to verify with your veterinarian and inspect your pet(s) upon arrival.

Thank you for your cooperation. We look forward to a pest free year!
